Ziraat Bank Harbiye Branch
Restoration Project

Bank Branch Renovation Projects
across Türkiye

Ziraat Bank Harbiye Branch

2022-
Position: Project Manager-Control, Drawing
1115 m²

I started the project in end of 2022. The architectural survey project completed and was approved. Restitution and restoration project process is on the run.

Bank Branches Renovation projects

I prepare renovation projects of bank branches in many provinces of Turkey. Following the architectural layout projects I have prepared, I provide architectural project services, including electrical and mechanical projects and their approximate costs, before the construction tender.
